There were booths displaying figurines of comic book characters and  
7.   
models of billdings. One could purchase these at a small fee. Germaine

loved the small figurines and though she would love to buy a few, she did  
not know where she could display them at home. There were also booths

8.   
selling artwork by local and forain artists. Many of them were very good.

Germaine decided to ask one artist if he could draw her as Raggy. The  
artist agreed. Germaine watched him work. She was amazed at how easily

he could sketch her in the same way Raggy was designed in the comics.

9.   
Germaine pay him and took the completed artwork. It was wonderful.

10.   
She would pin this up in the wall in her room.

There was so much to see and buy, and though Germaine bought just  
one item, she had a great time at the fair. She would definitely be back  
the next year.
